The American Red Cross plans to conduct surveys by vehicle throughout Lehigh County starting later today. Their staff will be identified with uniforms and ID badges, but they are not intending to leave their vehicles. The effort will be limited to a windshield survey **ONLY**. The list of areas they may be assessing is included below.

We have become aware of individuals going door-to-door or making other efforts to assess the damage. This is **not** an activity related to the planned American Red Cross efforts. Unfortunately, natural disasters inspire some individuals to try to take advantage of residents at their most vulnerable times. Given the American Red Cross does not plan to leave their vehicles, any other activity should raise suspensions for fraudulent intentions.

Windshield surveys conducted by the American Red Cross may include the following areas:

- **Emmaus** – 500 Block Ridge, 2nd Street, 100 Block E Harrison, 400 block Wenner St, 900 block Broad St, and 500 block of Jubilee St
