Dear Shelly:

The Township has requested that Jaindl Realty, L.P. and David M. Jaindl (collectively, "Jaindl") grant an open-ended extension for the purpose of review and decision regarding the currently pending above-referenced applications. Jaindl, by its undersigned legal counsel, hereby agrees to an open-ended extension under the Municipalities Planning Code, the Zoning Ordinance of Lower Macungie Township, and the Subdivision and Land Development Ordinance of Lower Macungie Township, for the following: (i) recommendation by the Lower Macungie Township Planning Commission, and hearing and decision by the Lower Macungie Township Board of Commissioners, on all of its referenced conditional use applications; and (ii) recommendation by the Lower Macungie Township Planning Commission and decision by the Lower Macungie Township Board of Commissioners on the referenced Subdivision and Land Development Application. This open-ended extension shall continue, and no time period for such recommendation, hearing or decision shall commence on any such application, until after Jaindl notifies the Township in writing of its desire to move forward with such application. Such extension shall terminate for the application addressed in such written notice forty-five (45) days,

This extension of time replaces in their entirety all previously granted extensions of time which have not already expired as of the date of this letter.

Thank you.

Very truly yours,
