Ornamental Street Light
PETITION

TO: Board of Commissioners, Lower Macungie Township
RE: Ornamental Street Lights

We, the undersigned homeowners in the _____ Development, _____, PA respectfully petition the Lower Macungie Board of Commissioners to authorize the installation of street lights in the development in accordance with the approved plan in the hands of the Pennsylvania Power and Light Company. It is our understanding that the cost will be based on the lineal front footage assigned to each property recorded in the Office of the Recorder of Deeds.

HOMEOWNERS NOTE: ***After the initial prorated billing for those developments with street lights installed between tax periods, your street lighting assessment will be billed with your school taxes. Properties are assessed at $.77 per front footage. (Example 100 feet x $.77 = $77.00 annual cost to property owner). Corner properties are assessed at 100% of the long frontage and 20% of the short frontage. For questions about this petition, please call the Lower Macungie Township Secretary at 610-966-4343 x113.***
